

## Master of Divinity Clinical Pastoral Education

The CPE (Clinical Pastoral Education) internship gives Master of Divinity students the opportunity to explore personal and professional growth issues in their roles as interfaith chaplains in various settings. Through weekly seminars, didactics, theological reflections, and individual and group supervision, students explore the purpose and meaning of providing pastoral care to people in crisis. Strong emphasis is placed on the students' understanding of their own personal issues and dynamics as these arise in the process of helping others. MDiv only.
