Capstone II: Thesis Research and Writing

The final component of the Bachelor of Arts program, the Capstone Seminar is designed to guide students through their senior thesis, a scholarly paper with annotated bibliography and a portfolio of course work that reflects the student’s cumulative knowledge at the end of the degree program. This thesis is evaluated by two mentors from the student’s chosen fields of study, as well as by the chair of Interdisciplinary Studies. Prerequisite: INTD301 for INTD majors only. Open to INTD and PAX majors only.

Course Number: INTD480
Unit: 3.0
Program: Interdisciplinary Studies
