Internship

The internship provides students with opportunities to deepen their understanding of the practical means of working for social change by working on projects that require a range of skills: grassroots organizing; coalition building; lobbying; policy research; grant-writing; and fund-raising. Students may pursue internships that build on prior experience or pursue a new direction. Internship placements range from community-based media to restorative justice initiatives and to educational organizations working on issues of social justice, peace, human rights, and environmental sustainability. The internship culminates in presentations in which students bring back new knowledge and skills to the Naropa community. Prerequisites: COR115, COR 220, COR130, and COR150 or COR113.
