Authentic Movement: Movement/Body Awareness Practice

Authentic Movement is a self-directed movement process employing the wisdom of the body as a pathway to awareness. It offers an opportunity to experience the individual and collective body as a vessel for healing and transformation and creative process. This course explores the ground form of Authentic Movement: the mover; the witness; and the relationship between them. Students explore their own process while experiencing this therapeutic movement form. Through learning how to increase the authenticity of presence, students explore the ground of healing relationships. Authentic Movement provides a model for life lived in authentic relationship to self, others, and community. Prerequisite: Any of the following: PSYB208, PSYB255, PSYB304, PSYB333, or PSYB359.
