Creative Arts in Lower Primary

Student teachers will learn how the creative arts (visual arts, music, drama, and dance) can provide opportunities for personal expression, enjoyment, creative action, imagination, emotional response, aesthetic pleasure, and the creation of shared meanings. Student teachers will learn how to explore social and cultural values about spiritual and worldly beliefs and cultures, and how to celebrate, share, and negotiate these values and beliefs through active engagement in the creative arts. Student teachers will develop personal expertise in all forms of the creative arts through hands-on, studio-based activities.
