

Geography: Pilgrimage and Sacred Landscape

Religious and cultural worldviews play a significant role in shaping our understanding of, and impact on, the earth. Students explore the world through the lens of pilgrimage and sacred landscape. Geography is a discipline of storytelling of the earth. Thus, we engage in listening, reading, writing, and telling stories to recall and awaken our connection with the earth.

Course Number: ENV245

Unit: 3.0

Program: UNDG Envrnmtl Studies
