Buddhist Journey of Transformation: An Introduction

This course traces the transformation of emotional and conceptual confusion into wisdom on the Buddhist path. Beginning with insights into how humans generate confusion and habitual patterns, we extend that insight to develop compassion and skill in working with others and discover skilful means within our confused states in the present moment. Students are introduced to the rich diversity of Indo-Tibetan Buddhist "three vehicles" within the context of Buddhist history, texts, and traditions.

Course Number: REL150
Unit: 3.0
Program: Religious Studies
