Introduction to Nepali Language

This course is designed to provide a foundation in conversational Nepali for students with no previous knowledge of the language. Language proficiency is an essential aspect of the program, and daily language classes with a Nepali instructor ensure that students are provided with the language skills needed to engage more deeply with the communities in which they are living and learning. With a principal focus on conversational Nepali and practical language skills, the language lessons presented throughout the semester include grammar, vocabulary development, and the history of the language. Students also gain a basic understanding and utility of the Nepali script (Devanagari script). Students are tested regularly, and a written and/or oral exam is required at the conclusion of the course.
