

Multigenre Workshop: Text & Image

This interdisciplinary and multigenre writing course explores the confluence of text and image in poetry, prose, and cross-genre texts. Through exploratory reading and creative writing experiments, students investigate the ways in which images interrupt, complicate, and layer narrative, as well as the reasons a writer might embrace this multimodal, multivocal form. Students produce creative manuscripts that draw on and innovate with text and image.

Course Number: WRI749

Unit: 3.0

Program: GRAD/UNDG Writing
