

Week Two: Summer Writing Program MFA Credit

This course provides students with the opportunity for intensive week-long study with visiting faculty during Week 2 of the Summer Writing Program. Summer Writing Program visiting faculty represent an extraordinarily diverse set of writers and thinkers, and are known both for their commitments to artistic innovation and cultural activism. Workshops are characterized by generative writing prompts, experimental investigations into the writing process itself, and thinking about the relationship of writing and contemporary political ideas and events. Also as part of the Summer Writing Program students attend readings, performances, lectures, panel discussions, and sessions focused on dharma arts thinking and practice.
