

Craft of Writing: Professional Development

In this course, students further their professional development by preparing their creative manuscript for publication; by generating an online professional dossier to represent themselves and their work; and/or by working with a mentor to identify short- and long-term professional and creative goals, such as submitting to literary journals, writing book reviews, publishing their critical essay, composing a professional cover letter, applying to internships or residencies, and other related work as needed. Open to MFA Creative Writing low-residency students only.
