

Naropa Ensemble

The Naropa Ensemble is the Music program's core ensemble, performing at concerts and events throughout the semester. At the beginning of the course, faculty and students determine repertoire to broaden ensemble members' musical interests and further develop their instrumental skills. Students engage with rehearsal technique, sight-reading, improvisation, and "part" creation specific to their instrument. Prerequisite: MUS210. Others considered by audition.

Course Number: MUS270
