

Advanced Audio Recording and Production

Students explore and experiment with the tools of the recording studio and their role in the creative process. Advanced recording and studio techniques are applied. Particular emphasis is given to the use of signal processing (equalization and effects) and digital editing, and the creative opportunities provided by these technologies. Group and individual projects are the means through which we foster creativity and its evolution. Prerequisite: MUS280.

Course Number: MUS380

Unit: 3.0

Program: UNDG Music
