

Internship

The internship provides students with opportunities to deepen their understanding of the practical means of working for social change, by working on projects that require a range of skills: grassroots organizing; coalition building; lobbying; policy research; grant-writing; and fundraising. Students may pursue internships that build on prior experience or pursue a new direction. A wide range of internships are possible, although only sites that are committed to providing an education experience and can meet Naropa's additional requirements are candidates. Prerequisite: COR130.
