

Sustainability Seminar: Regenerative Community in Action

The Core Sustainability Seminar invites students to apply their vision and creativity toward a flourishing future and away from crisis. This course introduces students to principles, perspectives, and practices of regenerative community, resilience and sustainability, and analyzes current environmental, economic, and social trends. With the aim of developing skills and lasting commitment to create vibrant and equitable systems, the course draws upon sustainability studies, contemplative education, ecological thinking, citizen engagement, and other innovative approaches.

Course Number: COR222

Unit: 3.0

Program: Naropa Core Curriculum
